Sluice in Cadamuncolum tank in Madura District.—Order authorizing its construction, communicated to Revenue Board.

Proceedings of the Madras Government, Public Works Department, 4th November 1868.

No. 47. Read the following letter from the Executive Engineer in charge of the Superintending Engineer's Office, 8th Division, to the Secretary to Government, Public Works Department, dated Madura, 17th October 1868, No. 1,610:—

I have the honor to request sanction for the following transfer of funds:—

From Madura, Minor New Works, Communications.

To do. do. Agricultural, Rupees 140,

this amount being required for the construction of a sluice in Cadamuncolum tank in the Pereacolum Talook.

No. 48. ORDER THEREON, 4th November 1868, No. 3,453.

ACCOUNT, No. 1.

As there is every probability of funds under "Agricultural" being available later in the year to meet the cost of the sluice referred to in this letter, the Government do not consider it necessary to sanction the transfer recommended by Captain Prendergast, but the work may be proceeded with and the outlay adjusted hereafter.
