No. 163. Read the following Proceedings of the Board of Revenue, dated 20th October 1868, No. 7,527 :—

Read the following letter from the Collector of Bellary, to the Acting Secretary to the Board of Revenue, dated 14th September 1868, No. 220.

1. I have the honor to enclose copy of a letter* from the Superintending Engineer, requesting that the Head Assistant Collector's former Cutcherry at Hospett may be made over to the Department of Public Works as a Range Office. In a previous letter† I recommended that the building should be retained for the use of the Second Assistant Superintendent of Police, but the Superintendent has informed me that he does not require it.

2. I beg to recommend the building being made over as requested.

* No. 2,140, of 11th September 1868.

† No. 84, 24th April 1868, recorded in Board's Proceedings, 23rd June 1868, No. 4,647.

From the Superintending Engineer, 3rd Division, to the Collector of Bellary, dated 11th September 1868, No. 2,140.

With reference to paragraph 7 of Government Order, No. 1,009, dated 17th April last, in the Revenue Department, I have the honor to request you will obtain the sanction of Government to the transfer of the building at Hospett, lately occupied as the Head Assistant's Office to this Department as a Range Office for the Hospett Range, as there is no proper accommodation at Ramandroog, the present head-quarters, besides which the place is not looked upon with favor by the Accountants and others attached to the Range Office, if the building is not required by you for any other purpose.

SUBMITTED to Government, with the Board's recommendation that the proposed transfer be sanctioned.

2. In paragraph 7 of Government Order, dated 17th April 1868, No. 1,009, the Government remarked that the building in question should be sold if not required for any public purpose; but as the Engineer Department requires it as a Range Office, the transfer is desirable.

No. 164. ORDER THEREON, 11th November 1868, No. 2,825.
