No. 199. Read the following Proceedings of the Board of Revenue, dated 17th October 1868, No. 7,462:—

Read the following letter from the Collector of Bellary, to the Acting Secretary to the Board of Revenue, dated Gooty, 23rd September 1868, No. 228.

The Officers of the Telegraph Department cut down some trees on puttah land in the Hospett Talook, and on applying to the Superintendent of Telegraphs, Bangalore Division, for compensation to be paid to the owners, I received the following answer.

From — JOHNSTON, for Superintendent of Telegraphs, Bangalore Division, to the Collector of Bellary, dated 17th September 1868, No. 494.

1. I have the honor to acknowledge the receipt of your No. 989, dated 27th ultimo, with its enclosure, and to state that I defer the payment until orders have been received from Calcutta as to whether or no the claims are to be paid. No such demands have been made by any other Collectors.

2. In common justice to the owners of land through which the line of telegraph passes, and in view to prevent any obstruction on their part to the operations of the department, I submit that these claims should be promptly adjusted when forwarded through the Collector, and I have the honor to suggest that Government should be moved to issue an order to that effect.

SUBMITTED for the consideration of Government.

2. The Board quite concur with the Collector.

No. 200. ORDER THEREON, 12th November 1868, No. 2,833.

Miscellaneous.

There can be no doubt as to the propriety of the earliest possible payment of compensation for trees, the property of private individuals, cut down for the operations of the Telegraph Department, although the department by which it should ultimately be paid requires to be determined. The Board will be requested to report the amount of compensation payable in the case under notice.
