No. 269. Read the following Proceedings of the Board of Revenue, dated 19th September 1868, No. 6,672.

Read the following letters:—

From the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 5th May 1868, No. 134.

1. I beg to submit the following remarks on the Local Fund Budget, received with Board's Proceedings, dated 13th March 1868, No. 1,823.

2. I observe that Rupees 3,350, in addition to the allotment of similar amount made by me, has been allotted on District Road No. 2; I requested, for reasons given, an allotment from Imperial Funds equivalent to the one I had made from District Road Funds; and as the Board approved* of my recommendation that this road should be an Imperial one (as part of the great coast line from Beypore by Calicut and Cannanore northwards), I regret that the District Road Funds should be burdened with the additional allotment, which, I submit, should certainly be provided from Imperial Funds.

Budget Item No. 227.

* Board's Procs., 9th Dec. 1867, No. 7,946.

3. Rupees 15,000 was allotted on District Road No. 9. The Board have added Rupees 5,000. Only Rupees 18,850 are required to complete the estimate, and, therefore, if Rupees 3,850 are added to my allotment no more is required.

Budget Item No. 228.

4. Rupees 3,100 was allotted for this year on District Road No. 14, Cannanore to Kaniarkunnu. The Board have added Rupees 1,400; I have no objection to urge to this if proportionate contributions are given from Imperial and Municipal Funds; but I must strongly deprecate the whole cost being thrown on District Road Funds, and I should mention that in consequence of Government Order, dated 15th November 1866, No. 3,108, no work on this road has been carried out. Last year's allotment of Rupees 3,000 was transferred† to other works. I would respectfully urge that the work be now allowed to proceed; that my original allotment from Local Funds be allowed to stand; that an equivalent be granted from Imperial and Municipal Funds respectively, which make the allotment for the year Rupees 9,300 in all, and admit of the line being opened in this and the ensuing year if a similar allotment is made in next year's Budgets.

Budget Item No. 229.

† G. O., dated 1st Oct. 1867, No. 2,284.

5. The additional allotments made by the Board, as mentioned in the three preceding paragraphs, amount to Rupees 5,900. I must observe that the additional expenditure would all fall in the Cherikal and Kotteyom Talooks, which have had a very liberal allowance this year from District Road Funds without this addition, and that is an additional ground for requesting re-consideration of the additional allotments. If, however, they are finally determined on, I beg I may be informed what items have been struck out of my Budget for 1868-69, to make up the sum.

In the first of the foregoing letters, the Collector makes his remarks on certain items in the current year's Road Fund Budget, and proposes an ex penditure of Rupees 22,525, pointing out at the same time the source from which funds can be provided.

2. With the second letter, the Collector submits a Supplemental Road Fund Budget for the current year in modification of the proposals made in his first letter.

3. Part I. of the Budget contains thirteen Original Works, and Part II. four Repair Works, with a total allotment of Rs. 17,963, which the Collector proposes to meet from the sum of Rs. 19,967, particularized in paragraph 1 of the second letter.

6. The Board request that the sanction of Government may be accorded to the proposed expenditure of Rupees 19,633 as shewn above.

7. Adverting to paragraphs 2 and 4 of the first letter above recorded, the Board observe that of the two roads* there referred to, the first has been classed as Imperial in the list about to be submitted to Government, with reference to their Order of the 18th April 1868, No. 1,031. Should the Government decide it to be Imperial, the whole cost of the work will have to be borne from Imperial Funds.

Road No. 14, from Cannanore to Kamarkunu.

8. With respect to Road No. 14, from Cannanore to Kamarkunu, the Board observe that Government, in their Order dated 15th November 1866, No. 3,108, declined to sanction it. In paragraph 6 of their Proceedings, dated 22nd October 1867, No. 6,871, the Board expressed an opinion to the effect that any expenditure

on the road in question would be inexpedient until the more immediate wants of the district had been met. The work, however, appears in the current year's Budget* with an allotment of Rupees 4,500; and the Board now resolve to submit the plan and estimate for the sanction of Government, with a recommendation that the work may be proceeded with on an allotment from Local Funds of Rupees 3,100, and that similar sums be sanctioned from Imperial and Municipal Funds.

Account.

1. Sanction is accordingly granted for the expenditure of Rupees 19,633, as requested in paragraph 6 of the Board's Proceedings above recorded.

2. The Board submit for sanction the estimate for the road from Cannanore to Kamarkuau. The Government declined to sanction this road in 1866 "until the more urgent necessities of the District have been met," and, in 1867,† the Board expressed the same opinion. There is nothing in the Proceedings of the Board now before Government to shew that the immediate wants of the District have been met, and in the absence of this information the Government must decline to sanction the estimate.

Proceedings dated 15th Nov. 1866, No. 3,108.

† Proceedings dated 22nd Oct. 1867, No. 6,871.

3. The estimate submitted in 1866 amounted to Rupees 24,000, whereas that now before Government is for Rupees 18,400. This difference should also be explained.

for sanction the estimate

Proceedings of the Board

of this information the
Govt must decline to
sanction the estimate.
