No. 7,677.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 27th October 1868.

Read the following letter from T. A. N. CHASE, Esq., Collector of Kurnool, to the Acting Secretary to the Board of Revenue, dated 14th October 1868, No. 355:—

I HAVE the honour to inform you, in reply to Proceedings of the Board of Revenue, dated 23rd September 1868, No. 6,774, that up to the 1st September from the date on which Major Christie's party killed a tiger on the Nalla-Malla hills, eight men, and two women, have been killed on those hills by tigers.

2. On the Nandial side four Shikaries at 7 Rupees a month, and on the Cumbum side five Shikaries at 6 Rupees a month, have been employed since November 1867, as sanctioned by Government in their Order, dated 16th October 1867, No. 1,278.

3. They have not succeeded in killing any tigers, but they undoubtedly serve to give confidence to persons crossing the hills, and probably, though I have had no complaints against them, exact fees from the parties they escort. I do not think they are of any use, and would recommend that they should be discontinued.

4. The only way of rendering the Pass, through the hills, safe, in my opinion, is to effectually clear the jungle for 100 yards on each side of the road, and to keep up a regular Establishment for keeping it down; but this has been objected to on account of its costliness, and the Board (vide Proceedings, No. 6,893, dated 28th September 1868,) recommend four halting-places at short distances along the road.

---

SUBMITTED for the information of Government in accordance with their Order of the 13th August 1868, No. 2,155.

2. The Board have already in their Proceedings, dated 28th September 1868, No. 6,893, stated the course they recommend. They concur with the Collector in regarding the longer maintenance of nine Shikaries, on 58 Rupees a month, as useless.
