No. 319. Proceedings of the Board of Revenue, dated 3rd September 1868, No. 6,283.

Read the following letter from the Acting Collector of Nellore, to the Acting Secretary to the Board of Revenue, dated 21st July 1868, No. 2,271.

1. I have the honor to forward, herewith, copy of a letter from the Superintending Engineer, No. 51, dated 10th July 1868, submitting for sanction plans and estimates for a local road from Manubole, on Trunk Road No. VI., to Podalakur, on the Nellore and Someswaram road, now under construction at a cost of Rupees 35,500 the fifteen miles.

2. Colonel Winscom points out the benefit that this road will offer to the traffic coming from the south to Cuddapah. It is one of the local lines selected by the Superintending Engineer and myself, for which estimates should be first prepared, and Rupees 1,500 have been allotted for expenditure upon it in the current year's Budget.

From the Superintending Engineer, 2nd Division, to the Acting Collector of Nellore, dated Camp at Masulipatam, 10th July 1868, No. 51.

1. I have the honor to forward plans and estimates, &c., as per margin, for the construction of a local road from Podalakur, on the Nellore and Someswaram line, to near Manubole, on Trunk Road No. VI., and request that you will submit the same for the sanction of the Revenue Board and Government. The total length of the communication now proposed is 15 miles and 1,093 yards. The estimated cost is Rupees 35,500, or, on an average, about 2,276 Rupees per mile. All the necessary masonry works are provided for, and the road will be metalled throughout to a breadth of four yards, and well drained.

2. I am indebted to Mr. Supervisor Plummer for the survey and formation of the greater part of the estimates and plans.

3. The line is a link, in the communication of the district, of considerable consequence ; the traffic coming up Trunk Road No. VI, destined for the northern part of the Rapur Talook, Oodiagherry, and Cuddapah, will strike off at Manubole, proceed along this new route, join the Someswaram road at Podalakur, and thence finds its way *via* Someswaram to the Dornal Pass and Cuddapah.

4. Rupees 1,500 have been inserted in Local Fund Budget (Item 61) for expenditure on this branch.

The plan and estimate alluded to as enclosures not having been received, the Acting Collector is requested to despatch them with the least possible delay.

No. 320. Proceedings of the Board of Revenue, dated 19th October 1868, No. 7,485.

Read again letter from the Acting Collector of Nellore, dated 21st July 1868, No. 2,271, recorded in Board's Proceedings, dated 3rd September 1868, No. 6,283.

The plans and estimate, amounting to Rupees 35,500, for the road from Manubole, on Trunk Road No. VI., to Podalakur, on the Nellore and Someswaram road, will be submitted for the sanction of Government.

2. The plans and estimates were not submitted with the letter under reference, as they purported to have been, but have since been received.
