No. 335. Read the following Proceedings of the Board of Revenue, dated 27th October 1868, No. 7,666 :—

Read the following letter from the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Wandur, 11th September 1868, No. 263.

In Government Order, dated 4th April 1867, No. 790, permission was granted to entertain, at the Collector's discretion, an establishment for conducting the survey in Wynaad at a monthly cost of Rupees 209; the total cost was estimated therein at Rupees 2,508. An establishment was accordingly entertained from June 1867, and the charges incurred therefor up to May 1868 were as follow :—

	Rs.	A.	P.
Paid in July for June	160	9	6
,, August for July	209	0	0
,, September for August	209	0	0
,, October for September	206	4	10
,, November for October	203	7	9
,, December for November	209	0	0
,, January for December	209	0	0
,, February for January	209	0	0
,, March for February	198	13	5
,, April for March	209	0	0
,, May for April	206	4	10
,, June for May	209	0	0
	2,438	8	4

I am in communication with Colonel Priestley, Superintendent of Revenue Survey, as to the work done by the establishment during the past year, and the system that should be pursued in Wynaad for surveying the coffee extensions, &c., during the current and ensuing years, and will address the Board shortly on the subject. Meantime, I request sanction for disbursing the pay of the establishment till other arrangements now in contemplation are sanctioned.

2. I write this now, as the Board in their Objection Statement disallowed the charge for June, Rupees 101-11-10, with the remark that the authority under which the charge was incurred had not been quoted. But on reference to the Account Particular, which accompanied my Contingent Bill for July last, I find that Government Order, dated 4th April 1867, No. 790, was quoted; and it seems from a pencil note apparently made in the Board's Office, that objection is taken as the sanction given in the Government Order was only for one year, and it is thought fresh sanction should be applied for, for the charge incurred in June last.

The Government Order above referred to does not, I observe, limit the sanction to one year. Under the Board's remark above referred to, however, I beg to apply for further sanction as specified in paragraph 1 of this letter.

3. From a Result Statement of further examination of the accounts for May and June, just received from the Accountant General, I find that that Officer takes objection to the charge incurred in April and May also, stating as his reason that the sanction lapsed with the official year 1867-68. I beg, therefore, under the circumstances above set forth, that he may be authorised to pass the charge.*

Submitted to Government, with the Board's recommendation that, under the circumstances stated by the Collector, the continuance of the establishment, at a monthly cost of Rupees 209, may be sanctioned from 1st April 1868 up to the end of the current official year, by which time the Board hope that the Collector will be able to report his final arrangements for conducting the survey in Wynaad.

No. 336. Order thereon, 19th November 1868, No. 2,899.

Miscellaneous.

Agreeably to the recommendation of the Board of Revenue, the Government sanction the continuance of the temporary establishment for one year, retrospectively from 1st April 1868, at the monthly cost of Rupees (209) two hundred and nine.
