Sub-Collector's Cutcherry at Konghiem in Coimbatore District.—Order sanctioning the excess expenditure incurred in its construction, communicated to Revenue Board.

Proceedings of the Madras Government, Public Works Department, 12th November 1868.

No. 186. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Coimbatore, 20th October 1868, No. 137 :—

1. Estimate, No. 29. Rupees 9,122.
2. Comparative Statement.

As required in paragraph 10 of G. O., No. 642, of 25th February 1868, repeated in paragraph 3 of G. O., No. 3,055, of 28th September 1868, I have the honor herewith to submit a supplemental estimate for the Sub-Collector's Cutcherry at Konghiem, showing an excess of Rs. 722 over the original estimate, together with comparative statement showing that it was chiefly incurred in additional brick-in-chunam work caused by buttresses and additional foundations found necessary on account of the nature of the soil. I have seen the work, which is very well finished and satisfactory. It was completed and fully paid up last year.
