Not to be folded or roughly handled

Proceedings of the Madras Government, Revenue Department,
20th November 1868.

No. 357. Read the following Proceedings of the Board of Revenue, dated 26th October 1868, No. 7,618 :—

Read the following letter from the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 25th August 1868, No. 246.

1. I have the honor to forward plan and estimate just received from the Special Executive Engineer, Wynaad, for a bungalow and out-houses at Peria.

2. It will be observed that the plan is of the very simplest description, and the accommodation the least that can well be provided if it is resolved to build a bungalow at all. Yet the estimate amounts to Rupees 5,247.

3. Captain Kennedy writes that the rates are very high, and that he has called for revision; but I am not sanguine much reduction will be effected. A bungalow at the place is very urgently required, as has been repeatedly pointed out. For years it has been written about. Rupees 2,000* were sanctioned. Rupees 350 have been spent. Rupees 8,500 are available this year. From this the sum required can be supplied, though I grudge exceedingly taking funds that I hoped would provide bungalows at Nadaghany and Nilambur also.

* *Vide* G. O., 30th Nov. 1866, No. 3,265, R. D.

4. I beg that the plan and estimate now submitted may be passed speedily if anything is to be done this year. The work will be carried out by the Public Works Department.

P. S.—At Nadaghany the bungalow should be on the same plan as that now submitted, and would cost about the same.

At Nilambur the bungalow should be on the plan recommended in my letter, dated 16th April last, No. 92, but I doubt the estimate coming to less than Rupees 3,500.

Vide Bd.'s Pros., dated 23rd June 1868, No. 4,636.

Perhaps the Board may be able to make some provision for these much required works.

(Signed) G. A. BALLARD,
Collector.

Enclosure No. 1.—Plan.

Enclosure No. 2.—Estimate.

With the foregoing letter, the Collector submits for sanction the plan and estimate, amounting to Rupees 5,247, for a bungalow and out-houses at Peria.

2. As the Collector considers the bungalow most necessary of the three* already approved for execution, the Board recommend the estimate, which is inclusive of the sum of Rupees 2,000, sanctioned in Government Order, Revenue Department, dated 30th November 1866, No. 3,265, for the sanction of Government.

* Peria.
Nadaghany.
Nilambur.

3. The Collector desires that some provision of funds may be made for the other two bungalows which are also much required, but he is informed that the Board cannot spare more than Rs. 8,000 already placed* at his disposal, and as the balance, after providing for the Peria bungalow, will not suffice for the construction of the Nadaghany bungalow, the Board are of opinion that it had better this year be abandoned, and that a plan and estimate should be submitted for sanction, with all possible expedition, for the Nilambur bungalow, which is expected to cost less than Rupees 3,500.

* Board's Procs., 23rd June 1868, No. 4,636.

No. 358. ORDER THEREON, 20th November 1868, No. 2,910.

Miscellaneous.

The estimate amounting to Rupees 5,247 is sanctioned, subject to such revision of the rates as may be possible. The Board will report in due course the amount of the revised estimate.

(True Extract.)

(Signed) R. A. DALYELL,
Acting Secretary to Government.
