Proceedings of the Madras Government, Revenue Department,
24th November 1868.

No. 400. Read the following letter from the Officiating Conservator of Forests, to the Acting Secretary to Government, Revenue Department, Fort St. George, dated Camp at Toonacadavu, 9th November 1868, No. 1,006:—

1. With reference to the Government Order, dated 30th ultimo, No. 2,741, I have the honor to inform you that the two rooms, ordered therein to be made over for the temporary accommodation of the Forest Department, are, in their present state, quite unsuited to that purpose, in consequence of the western verandah having been pulled down, and the debris left lying close to the rooms; whilst the noise and confusion made by the large number of coolies now employed in the construction of the upper building would, I fear, seriously interfere with the performance of the Central Office work.

2. Under these circumstances, I request that our Office may be allowed to remain in the present building, pending completion of the western wing in process of construction.

No. 401. ORDER THEREON, 24th November 1868, No. 2,931.

Miscellaneous.

Under the circumstances reported, the Acting Conservator may retain his present Office until the rooms on the upper part of the west face of the building at Chepauk are completed.
