Proceedings of the Madras Government, Revenue Department,
1st December 1868.

No. 13. Read the following letter from the Honorary Secretary, Government Farm, to the Acting Secretary to Government, Revenue Department, Fort St. George, dated Madras, 28th November 1868, No. 93 :—

1. I am desired by the Committee of the Government Farm, Sydapet, to report, for the information of Government, that Mr. Robertson, the gentleman referred to in paragraph 4 of my letter to you of July 14, 1868, No. 60, has been engaged by Professor Constable, arrived here by the P. and O. Steamer on the 21st instant, and has taken charge of the Government Farm.

2. Professor Constable's letter, (herewith forwarded,) only arrived on the 26th instant. The Professor has advanced the £109-10-0, sanctioned by the Order of the Madras Government of July 23, 1868, No. 2,024, and has also incurred expenses to the amount of £13-10-0.

3. No account is sent of how or why these expenses were incurred, but no doubt Professor Constable's time is valuable, as he says, and he may have had to borrow the money paid to Mr. Robertson.

4. The Committee, therefore, trust that Government will consent to pay the additional sum of £13-10-0, which will make the total cost of Mr. Robertson's passage one hundred and twenty-three pounds (£123).

5. The Committee hope that sanction for payment of the cost of a bill at sight, for the above sum, in favor of Professor Constable may be granted with as little delay as possible, in order that the bill may be sent to that gentleman by the Mail of December 7, at latest.

No. 14. ORDER THEREON, 1st December 1868, No. 3,015.

Miscellaneous.

1. The Honorary Secretary to the Government Farm is authorised to purchase a bill at sight on England for £123, in favor of Mr. Constable, and to forward it to that gentleman by the next Mail.

2. The cost of the bill should be reported for sanction.
