Proceedings of the Madras Government, Revenue Department,
2nd December 1868.

No. 19. Read the following letter from the Superintendent of Revenue Survey, to the Acting Secretary to Government, Revenue Department, Fort St. George, dated Chepauk, 27th November 1868, No. 1,955-71 :—

1. I regret having, as noticed in G. O., dated 24th November 1868, No. 2,925, paragraph 3, omitted to name distinctly the limit I would propose to advances on account of demarcation expenses debitable to ryots, and have now the honor to state that I would suggest—

1*st.*—That the total of advance made in any one talook should in no case exceed one-third of the beriz.

2*nd.*—That when the sum required to be advanced for demarcation under this head exceeded one-fourth of the beriz, some explanation of the large cost should be expected from me.

3*rd.*—That the actual amount of unexpended advance in the cash chest of the Demarcation Officer, or to his credit, should never exceed one-half of the estimated cost of the demarcation expenses debitable to ryots.

4*th.*—That the Collector of a district under demarcation should be authorised to make advances in convenient sums, from time to time, to the amount of bills for demarcation expenses recoverable from ryots furnished him by the Demarcation Officer, always, of course, within the limit of the sum originally estimated as the total of advance required in each talook.

5*th.*—(If considered desirable by Government)—That these bills should be checked and countersigned in the Central Survey Office, and thence forwarded to the Collector of the district for payment to the Demarcation Officer.

2. It may be well to state that, except in the Madras District, I do not anticipate the cost of demarcation ever rising higher than one-fourth of the beriz, and that in the Madras District this extreme rate will be very rare.

No. 20. ORDER THEREON, 2nd December 1868, No. 3,018.

Land Revenue.

Forwarded to the Board of Revenue for their observations.

(True Extract.)

(Signed) R. A. DALYELL,
