Extract paragraph 3 of a Despatch from the Government of India, to the Secretary of State for India, No. 8, dated 1st August 1868.

"Paragraph 3. We fully concur in the opinion expressed in the letter to Dr. Cleghorn, and in the 2nd paragraph of your Despatch, that much advantage is likely to arise from an extended interchange of seeds, forest products, and reports on forest administration between the Forest Departments of India and those of foreign States. And in order to give effect to your suggestion in this respect, we have instructed our Inspector General of Forests to make arrangements for keeping up this interchange of reports, seeds, and forest products with Forest Officers in Europe. Unless you should direct otherwise, he will either forward them to the Under Secretary of State for India, with an indication of the authorities to whom they should be sent, or he will, as opportunities may offer, despatch them direct to Forest Officers on the Continent of Europe."

ORDER.—Ordered, that a copy of this Extract be circulated to the Local Governments and Administrations noted in the margin, with a request that Forest Officers may be instructed to furnish the Inspector General of Forests with samples of such seeds, woods, and other forest products, as he may require for distribution to Forest Officers in Europe.
