Proceedings of the Madras Government, Revenue Department,
8th December 1868.

No. 91. Read the following Proceedings of the Board of Revenue, dated 27th November 1868, No. 8,412 :—

Read letter from the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 10th October 1868, No. 297.

1. The Board are aware that the new puttahs will be [illegible] at the ensuing Jummahbundy.

2. There are 432 Amshoms in this district at present, with some 1,65,364 Puttahs. In these about 6,90,000 entries of wet and garden lands have to be made, besides those of the varying dry cultivation, whilst on each the general revenue and proportion of Road Cess, under Act No. III of 1866, has to be entered, and on a large number the proportion of village service assessment.

3. I am desirous of having the Registers of Puttahs prepared most carefully, and at least in duplicate. Indeed it will be better in triplicate; one copy to be retained in the Amshom, one at the talook, and one at the Huzoor. The entries will be made generally, keeping the order in which the puttahs now stand numbered. But I am having an Index alphabetically arranged for each Register, to facilitate reference, which will be a very great assistance indeed subsequently. The preparation of the Puttahs, the Registers, the Indexes, and the Receipt Books will be more than the Menons can possibly manage in time for the Jummahbundy.

4. It is estimated that the sale proceeds of Puttah and Receipt Books will be as under:—

				RS.	A.	P.
32,500 Puttah Books,	at 1 Anna per copy	...	...	2,031	4	0
2,500 do.	at 2 Annas ,,	...	...	312	8	0
35,000 do.	at 6 Pice ,,	...	...	1,093	12	0
		Total	...	3,437	8	0

There have been a few petty extra charges this year on account of stitching the covers, &c.; but there will be a net return of some 3,000 Rupees.

5. Under these circumstances, I beg sanction to entertain for each talook ten or twelve extra Gumastahs, at Rupees 10 per mensem each, for periods not exceeding two months.

6. If this assistance is accorded, the Puttahs and Registers will be prepared in proper time, and in, I hope, a really careful and creditable manner. The expenditure would not exceed Rupees 2,000 in all, and the results, I am confident, will be very well worth the money.

7. There will, I fear, be considerable and unavoidable delay if the assistance is not given, and I trust the Board will be pleased to accede to my application.

8. The usual form is enclosed.
