Proceedings of the Madras Government, Revenue Department, 8th December 1868.

No. 93. Read the following Proceedings of the Board of Revenue, dated 2nd December 1868:—

Read the following letter from the Acting Collector of Cuddapah, to the Acting Secretary to the Board of Revenue, dated Cuddapah, 19th November 1868, No. 214.

Adverting to the Proceedings of the Board, dated 27th ultimo, No. 7,667, I have the honor to state that, in the application for pension forwarded to the Accountant General by my predecessor, the "date from which to commence" was put down as the 16th of this month, and, with reference to this entry, I found Deputy Collector Royappah under the impression that it was incumbent upon him to resign charge of his office on that date, the same that I assumed charge of the district. As his, however, is not a case of pension on Medical Certificate, I did not think that the rules require his peremptory resignation, and, considering that I find myself without an Assistant, and the Acting Sub-Collector, Treasury Deputy Collector, and myself are all new to the district, I have considered myself justified, in the interests of the public service, in requesting Royappah Puntalu to continue in office until an officer is appointed to relieve him, or an order is passed upon this reference, and Royappah Puntulu has acceded to this request upon my responsibility.

Submitted for the favorable consideration of Government, with reference to Government Order, 23rd November 1868, No. 2,927. The Board recommend that Royappah Puntalu may be allowed to draw the full salary of his office until he is relieved.

No. 94. Order thereon, 8th December 1868, No. 3,056.

Miscellaneous.

Sanctioned, as recommended by the Board. The pension granted to Royappah Puntalu will, therefore, commence from the date of his being relieved, and not from the 16th ultimo, as directed in the G. O. under date 18th November 1868, No. 385, Pension Department.

DECEMBER.

Nos. 33-34.

Royeppah Pentiah, Deputy Collector of Cuddapah.—The pension granted to him to commence from the date of his being relieved.

I would not dolber because
I have faith in Agnew's exhi-
bitation of the difficulties wh
surround him, for I have no
faith in him. When he was in
N. and he made a very un-
proper pass about an applant
being withdrawn from N. and
and yet, only a few days after
this loud clamor had been,
I think unperhaps listened to
an applicant was on a visit
at my house, who told me he
understood he came N. and
as there was nothing from Agnew
to do !!!! He was ashamed to
own at Cuddalore. I refer
to Mr. F. E. Gibson. - Agnew

appears to make a point
of always trying to put the God.
in the wrong. He has it to do
much through his subordinates,
little of his own book. I saw
him in Salem - a remarkable
overed work mechanical depos-
whilst Agnew was on a Coach,
smoking & reading light literature.

In reply to Mr. Robinson
I would say that the God-
I would object to appointing the
God recommended. I am
very doubtful whether the Cudda-
-lore Institute is such as to prevent Agnew
from discussing with Rajahs
Lawyers - for the last period
- while he was before the
removal of Mal. Hanumakkam

I would add that of the above cases, factors establishments amongst of her Majesty's Army provided with a regulated diet are not purchased because Mr Hornbuckle's case and that Gentleman has taken to his duty.—

By the by, Mr Hornbuckle's 3 months leave from the 24th Oct. ought not to have been given without a Memo: as to further attendance at the Standard examination fixed for the 15th (?) current

Yours faithfully
W Balmain
