Proceedings of the Madras Government, Revenue Department, 9th December 1868.

Read the following letters :—

No. 113. From the Superintendent of Revenue Survey, to the Acting Secretary to Government, Revenue Department, Fort St. George, dated Chepauk, 2nd October 1868, No. 1,580-62.

1. When it was determined to commence the Demarcation and Survey of the Government Talooks in the Ganjam District the establishment fixed on was composed of half a Demarcation, and half a Survey party, and the charge was entrusted to a 1st Assistant Superintendent, without any additional allowance.

2. I have the honor to represent that the charge of half a Demarcation and half a Survey party is equally as onerous as, if not more so than, that of a full Survey party without demarcation, as in Kurnool, Cuddapah, Tinnevelly, and Madras, the survey of each of which districts is under a Deputy Superintendent, Revenue Survey. I beg, therefore, to recommend the grant, under the provisions contained in G. O., 8th August 1868, of an additional special allowance of Rupees 75 per mensem to the Officer in charge, provided that he be not an Uncovenanted 1st Assistant Superintendent, in receipt of the higher rate of pay sanctioned in Resolution of the Supreme Government, dated 18th October 1865.

3. In like manner, I would solicit an additional and special allowance of Rupees 50 per mensem to the pay of the Officer in charge of Madras Demarcation, whose duties are very severe and distasteful. He at present receives nothing more than if performing the far less responsible duties of 1st Assistant under a Deputy Superintendent, Revenue Survey. I may mention that the three Officers who have been successively appointed to the Madras Demarcation have been obliged to return to England from ill-health, attributable, in a great measure, to the exposure and worry inseparable from the work they have to carry out.

4. For these two appointments the services of the most highly qualified Assistants are required, but (especially the latter) they are not sought after, as there is nothing to compensate for the additional responsibility and annoyance. The amount of these charges, if sanctioned, can be met from the unexpended balance from Budget grant for 1868-69.

No. 114. From the Superintendent of Revenue Survey, to the Secretary to Government, Revenue Department, Fort St. George, dated Camp at Jammulmadugu, 27th October 1868, No. 1,721-66.

1. In reply to your official memorandum of the 20th instant, I have the honor to state that the Officers referred to are in receipt of pay and allowances as per margin, and have respectively assumed the charge of Madras Demarcation and Ganjam Survey and Demarcation parties, on the 15th and 8th September 1868.

3. Captain Clay's appointment may be considered permanent, as Captain Baynes, who has just vacated it, will on his return to duty, in two years' time, most probably be entitled to the charge of a District.

No. 115. ORDER THEREON, 9th December 1868, No. 3,066.

Miscellaneous.

1. In their letter dated 25th July* 1868, No. 1,162, the Government of India approved the proposal of the Superintendent of Revenue Survey to grant an additional allowance of Rupees 100 per mensem to Survey Officers deputed on special duty, and observed that that allowance might be applied for whenever it is wanted.

* G. O., 8th August 1868, No. 2,119.

2. In the first of the letters above recorded, the Superintendent brings to notice, that the charge of the Ganjam establishment, which consists of half a Demarcation and half a Survey party, is as onerous (if not more so) as that of a full Survey party without Demarcation under a Deputy Superintendent, as in Kurnool, &c.; and, adverting to the Order of the Government of India, of 25th July 1868, referred to above, he recommends the grant of an additional special allowance of Rupees 75 per mensem to the Officer in charge, provided he be not an Uncovenanted 1st Assistant Superintendent on receipt of the higher rate of pay, viz., Rupees 550, approved in Resolution of the Supreme Government of 18th October† 1865, for an Officer of that grade. It is observed from the Superintendent's second letter, above recorded, that this recommendation for a special additional allowance is made with reference to Mr. Gompertz, 1st Assistant Superintendent, who is in charge of the Ganjam party, and who draws Rupees 425 per mensem.

† G. O., 11th November 1865, No. 2,732.

3. Colonel Priestley also recommends the grant of an additional special allowance of Rupees 50 per mensem to the Officer in charge of the Madras Demarcation. He states that the duties of this Officer are very severe and distasteful, but that he receives only the same salary as though he were performing the far less responsible duties of a 1st Assistant under a Deputy Superintendent. Captain A. O. H. Clay, 1st Assistant Superintendent, is in charge of this party, and draws pay and allowances to the amount of Rupees 799-1-0.

4. On due consideration of Colonel Priestley's representations, the Governor in Council resolves to apply to the Government of India for sanction to the proposed special allowance of Rupees 75 per mensem for Mr. Gompertz; but he is of opinion that the salary drawn by Captain Clay is sufficient.

× In June 1867, the Supdt of Revenue Survey, in applying for an increase to his office establishment, among other matters, proposed, that he should be permitted to appoint a Deputy or Assistant Superintendent to take charge of the Surat office during his occasional absence on duty; and also to employ him, when necessary, on some of the special duties for which a Survey officer is constantly required; the officer employed on either of these duties receiving an extra remuneration of 100 Rs per mensem-

in sanctioning the proposed increase of office establt, sanctions also, as a temporary measure, the deputation of a Deputy or Assistant Supt on an extra monthly allowance of Rs 100 to take charge of the Central office during the Superintendent's absence; but with regard to the proposition for giving a like allowance when a Survey officer was deputed on some other casual special service, they remark that it was not apparent why an officer deputed on any such service, even should, if it be not more important than his ordinary duties, get more than his usual emoluments. The Supt then explained that it was never contemplated to grant extra emoluments except for more than usually important & arduous duty; & under this explanation the Govt of India in letter dated 26th July 1866 observe that the allowance of 100 Rs might without inconvenience be applied for whenever it

I doubt whether on the grounds stated, we could make out a case for sanctioning by the Sup: Govt:, of the two annuities to Col: Priestley solicited. No doubt, most of the duties on the dep.t of our Dy. Col: Priestley perform, are distasteful; but it seems to me that what these are performed by Asst Officers they are not paid. I should think the order of the Sup: Govt: 25 July 1868 applies to the two cases now under notice. WR
