Proceedings of the Madras Government, Revenue Department,
11th December 1868.

No. 155. Read the following letter from the Director of Revenue Settlement, to the Acting Secretary to Government, Revenue Department, Fort St. George, dated Madras, 12th November 1868, No. 1,329-44 :—

1. Referring to paragraph 6 of the Order of Government, dated 10th instant, No. 2,814, striking out, in the absence of sufficient explanation, the sum of Rupees 1,536 from the amount allotted to the Nellore Settlement party in my Budget Estimate for 1869-70, I have the honor to state that the discrepancy of Rupees 84, between the amount sanctioned by Government as the annual cost of the Office establishment, viz., Rupees 6,636, and that provided in the Budget, viz., Rupees 6,552, as shown in the table annexed to the above G. O., is owing to the monthly pay of the Dufterbund having been by mistake entered at Rupees 14 instead of Rupees 7 in the second column of the tabular statement appended to my letter of the 6th January 1868, No. 18, the error not being discovered till after the Order of Government of the 27th January 1868, No. 220, was passed.

2. The other discrepancy between the number of servants and cost of the field establishment, as sanctioned by Government, viz., eighty-four persons and Rupees 16,896, and the figures entered in the Budget, viz., 100 persons and Rupees 18,516, is owing to the cost of certain extra establishments for a portion of the year, amounting to Rupees 1,620, which was separately entered in the current year's estimate, having been included under the head of Field Establishment in that for the coming year.

No. 156. ORDER THEREON, 11th December 1868, No. 3,086.

Land Revenue.

Ordered that a copy of this letter be furnished to the Accountant General, for his information. It is unnecessary to make any alteration in the Budget with reference to paragraph 2 of the Director's letter, as any additional expenditure that may be incurred on account of the extra establishment alluded to can be met from savings.
