Proceedings of the Madras Government, Revenue Department, 12th December 1868.

No. 169. Read the following Proceedings of the Board of Revenue, dated 27th October 1868, No. 7,674 :—

Read the following letter from the Acting Sub-Collector, to the Acting Collector of North Arcot, dated Camp at Vassur, 17th September 1868, No. 424.

1. On looking over the Monthly Volume of the Board's Proceedings for July last, I observe, at page 5,382, that an application made by the Head Assistant Collector of Kurnool, for the employment of an extra Gumastah for arranging the records of his office, has been recommended by the Board to Government. The old records of my office from 1831 to 1860, consisting of 480 dufters, and a large heap of loose papers, are in a very unsatisfactory state, and require to be carefully examined and arranged.

2. As none of my office servants can be spared for this particular work, I applied to Mr. Robinson in my letter, dated 8th August 1867, No. 327, to allow me two temporary Gumastahs for five months, to be paid from the sale proceeds of waste papers; but he objected to the application, on the ground that the Board would not entertain it until the results of the labor of the temporary Establishment sanctioned for arranging the Talook records were put up at the close of the experiment.

3. The Board having recommended the Kurnool Head Assistant Collector's application, and mine being made on the same grounds, and for the same purpose, I beg that it also may be submitted to them with your recommendation.
