Proceedings of the Madras Government, Revenue Department, 12*th December* 1868.

No. 179. Read the following Proceedings of the Board of Revenue, dated 8th October 1868, No. 7,179 :—

Read the following letter from the Collector of Kurnool, to the Acting Secretary to the Board of Revenue, dated 7th September 1868, No. 314.

1. I have the honor to inform you that Sudersana Row, Deputy Collector at Nundial, has applied for permanent batta at 3 Rupees a day, as has been recommended by the Board in Proceedings, No. 4,599, dated 22nd June 1868, in the case of Royappa Pantulu, in the Cuddapah District.

2. The work relating to the transfer of land to the Canal and Irrigation Company in this district has been very heavy, and far more so than in Cuddapah.

3. In addition to this, prior to December 1866, when Sudersana Row's appointment was changed from Special Deputy Collector to Deputy Collector on general duties, he drew 3 Rupees permanent daily batta. But since the change in the denomination of his office, though his work is thereby much increased, as he has to perform his general duties, besides transferring land to the Company, the 3 Rupees permanent batta has been discontinued.

4. I think, therefore, Sudersana Row is entitled to permanent batta of 3 Rupees per diem, from December 1866, in arrears ; deducting from the total amount the batta he has drawn at 2 Rupees a day, when actually absent from his head-quarters, and to daily batta of 3 Rupees as long as he has the duty of his present two offices to carry out.

5. I trust the Board will submit the recommendation for the consideration and orders of Government.

Submitted for the favorable consideration and orders of Government.

2. The Board consider that permanent batta, at Rupees 3 a day, should be granted to A. Sudersana Row, so long as he may be engaged on the special duty now intrusted to him, and that arrears at the same rate should also be granted with effect from the date on which the special allowance, drawn by him up to December 1866 was stopped, subject to adjustment with reference to any batta drawn by him under the ordinary rules.

3. A similar indulgence was granted to Royappa Pantulu in the Proceedings of Government, Revenue Department, dated 14th July last, No. 1,961.

No. 180. Order thereon, 12th December 1868, No. 3,098.

Miscellaneous.

1. Sanction is accordingly granted for the payment of permanent batta, at Rupees 3 (three) per day, to Sudarsana Row retrospectively from December 1866, and so long as he may be engaged in arranging for the transfer of lands to the Irrigation and Canal Company in Kurnool.

2. The payment will, of course, be adjusted with reference to any batta he may have already drawn under the ordinary rules.
