Proceedings of the Madras Government, Revenue Department, 14th December 1868.

No. 208. Read the following letter from the Officiating Conservator of Forests, to the Secretary to Government, Revenue Department, Fort St. George, dated Camp at Dindigul, 3rd December 1868, No. 1,029:—

1. With reference to paragraph 2 of the Government Order No. 2,834, of the 12th ultimo, I have the honor to inform you, that the trees of the forests of Mysore and Coorg will be included in the *Flora Sylvatica* about to be commenced departmentally, as they are, I believe, in all cases similar to those found in parts of Wynaad and South Canara.

2. It will be scarcely practicable to bring out one number of this work every month unless Dr. Cleghorn should return, as my travelling duties are very heavy at present; no unnecessary delay, however, shall occur.

No. 209. ORDER THEREON, 14th December 1868, No. 3,113.

Forests, No. 6.

1. Ordered to be forwarded to the Government of India for information, with reference to the latter part of paragraph 3 of the letter to that Government, dated 12th November 1868, No. 2,835.

2. With advertence to his remark in paragraph 2 of his letter, Major Beddome will be requested to report within what periods the numbers of the *Flora Sylvatica* will be issued.
