Proceedings of the Madras Government, Revenue Department,
15th December 1868.

No. 213. Read the following letter from the Officiating Conservator of Forests, to the Secretary to Government, Revenue Department, Fort St. George, dated Camp at Dindigul, 3rd December 1868, No. 1,027 :—

In continuation of the subject of the new Postal Rules, copies of the correspondence on which have been forwarded to the Government of India with G. O., No. 2,972, of the 27th November, I have the honor to inform you that forward postage is now charged on stamped letters, viz., the Overseer in the Tinnevely District forwards a stamped letter (duly franked) to the Deputy Conservator of Madura and Tinnevely addressed to Madura, the latter officer having in the mean time proceeded to Dindigul the letter is re-posted and charged forward postage. As our officers are constantly travelling, I need not point out what expense, inconvenience in accounts, and additional work this may occasion, and if it is continued our estimates for postage must be very considerably increased. It will often occur that letters will be several times re-posted, and the charge against the department will be very heavy.

No. 214. ORDER THEREON, 15th December 1868, No. 3,116.

Miscellaneous.

The subject of the inconvenience to the Forest Department, resulting from the new Postal Rules, having been already brought* under the consideration of the Government of India, no special orders are called for on the Officiating Conservator's letter above recorded.
