If Mr Wilson in his position as acty Collector really
continues to do onerous work in the Assistant Collr's
or if he is engaged in preparing a Report of what has
done by him before
he was appointed
acty Collector I would
let me draw the
allowance. N.

Sanctioned

I feel doubtful whether
his application should be allowed.
It is scarcely possible that a single
Officer can do justice to the duties of the Principal Collector's
office, when he has on his hands the work of the
Collectorship of a District of the size & importance of the Kistna Collectorate
Mr Wilson, considering his standing in the service, is right well off.
