No. 254. Read the following Proceedings of the Board of Revenue, dated 2nd December 1868:—

Read the following letter from the Collector of North Arcot, to the Acting Secretary to the Board of Revenue, dated Chittoor, 30th November 1868, No. 400.

I have much pleasure in reporting to the Board, for the information of Government, that the monsoon has apparently set in. Heavy showers fell during the afternoon of Saturday, and at intervals throughout yesterday. The rain-fall registered at this station is only ·89 of an inch, and as yet very little flood-water has passed down the river here; but the aspect of the sky leads me to hope that these showers have been general throughout the district, and that there is yet some heavy rain to come. Meanwhile the ground has been well saturated, and the rain even which has fallen will infinitely benefit the standing crop.

SUBMITTED for the information of Government.

No. 255. ORDER THEREON, 16th December 1868, No. 3,136.

Miscellaneous. Ordered to be recorded.
