Read the following letter from C. N. POCHIN, Esq., Collector of Salem, to the Acting Secretary to the Board of Revenue, dated 2nd November 1868, No. 256:—

With reference to the Proceedings of the Board, dated 21st September, and Official Memorandum, dated 7th October 1868, Nos. 6,722 and 1,062 respectively, I have the honour to submit a Statement of expenditure on Relief-works in the Salem District.

2. The amount of Famine grant, namely, Rupees 30,000, was sanctioned for this district in the Order of Government, dated the 25th March 1868, No. 765.

Enclosure No. 1.—Statement.

Submitted to Government with reference to paragraphs 2 and 3 of their Proceedings, dated 12th September 1868, No. 2,372.

2. In their Order, dated 25th March 1868, Government sanctioned a special grant of 30,000 Rupees for Relief-works in the more suffering parts of the Salem District. The road works executed out of this grant, the amount of their estimates, the actual expenditure incurred on them, and other particulars, are shown below:—

On the third work entered in the abstract a sum of Rupees 296 was spent from the District Road Fund besides Rupees 488 from the Famine Fund.

4. The rest of the expenditure from special funds was chiefly on repairs of wells and tanks. The following is a list of them with the amount of their estimates and actual expenditure up to October last. The sums required for their completion are also shown separately:—
