Proceedings of the Madras Government, Revenue Department, 17th December 1868.

No. 267. Read the following letter from the Accountant General, Madras, to the Secretary to Government, Revenue Department; dated Fort St. George, 21st November 1868, No. 228:—

With reference to the Orders of Government, No. 2,842, dated 12th instant, I have the honor to point out that, as the arrangement therein sanctioned involves the creation of a new appointment, with total allowances (which, I understand, the term "salary" to mean) exceeding Rupees 3,000 per annum, the sanction of the Home Government will have to be obtained before the order can take effect, in accordance with the rules laid down in the Despatch of the Secretary of State to the Government of India, No. 63, dated 17th March 1864, published in the 2nd Appendix to the "Gazette of India" of 14th May 1864. I request, therefore, that the steps necessary to create the appointment may be taken in communication with the Supreme Government.

No. 263. ORDER THEREON, 17th December 1868, No. 3,142.

Forests, No. 8.

1. The Government do not concur with the Accountant General in considering that the order to which he refers applies to an office, the salary of which is Rupees 200 per mensem, or Rupees 2,400 per annum. A travelling allowance, which is granted to certain officers in lieu of providing them with carriage at the public expense, is clearly not a portion of the salary of an office, as has been ruled on more than one occasion with reference to the amount of salary which may be drawn by officers on leave.

2. Under these circumstances the Government see no reason to modify the order to which the Accountant General objects.

Proceedings of the Madras Government

Under date the 17th December 1868.

Read the following letter from the Acct. General.

Points out that the arrangement sanctioned by Govt. order No. 2842 of 12th instant needs the previous sanction of the Home Govt. before it can be carried into effect since it involves the creation of a new appointment with a salary exceeding 3,000 Rs. per annum.

(M. C. 21st Nov. 68 No. 228)

The Government do not concur with the Accountant General in considering that the order to which he refers applies to an office, the salary of which is Rs. 200 per

annum

mensem, or Rs. 2,400 per annum. A travelling allowance which is granted to certain officers in lieu of providing them with carriage at the public expense, is clearly not a portion of the salary of an office, as has been ruled on more than one occasion with reference to the amount of salary which may be drawn by officers on leave.

Under the circumstances the Government see no reason to modify the order to which the Accountant General refers.
