18th December 1868.

No. 289. Read the following Proceedings of the Board of Revenue, dated 12th December 1868 :—

Read the following letter from the Collector of the Godavery District, to the Acting Secretary to the Board of Revenue, dated Cocanada, 7th December 1868, No. 308.

In correction of my first weekly telegram to Government regarding the state of crops in this district, I beg to state that from better and more particular information since received from the talooks, I can say that the out-turn of the paddy crop under anicut channels, which is now being cut, will be a full average, instead of a three-fourth crop.
