No. 365. Read the following letter from the Superintendent of the Government Chinchona Plantations, to the Acting Secretary to Government, Revenue Department, Fort St. George, dated Ootacamund, 30th November 1868, No. 199 :—

1. With reference to paragraph 2 of the Order of Government, No. 2,325, under date 5th September 1868, I have the honor to inform you that the experimental culture of the Jalap plant on the Neilgherries has been most successful.

2. The plants planted at Kotagherry in cleared forest ground, at an elevation of 6,000 feet, have grown well and produced fine tubers. Those planted at Coonoor are also doing well ; they have attained the height of from eight to twelve feet, and are now in blossom. The climate of both these places appears well adapted for the cultivation of the Jalap plant.
