1. With reference to the Order of Government, No. 2,667, under date 20th October 1868, I have the honor to state that on the occasion of my visit to England, I procured from Dr. Hooker, of the Royal Gardens, Kew, two plants of the Cephaelis Ipecacuanha, and planted them in the Gardens on my return in December last. Previously I obtained one plant, brought out by Mr. Broughton from Kew.

2. I think there can be no doubt that the plants we have got yields the true Ipecacuanha of commerce.

3. These three plants have now been increased to nine, and in a few months I hope they will have attained such growth as to yield sufficient roots to test the quality of their produce.
