No. 370. Read the following Proceedings of the Board of Revenue, dated 27th November 1868, No. 8,391 :—

Read the following letter from the Collector of Trichinopoly, to the Acting Secretary to the Board of Revenue, dated Voitallagudalur, 28th October 1868, No. 205.

1. Adverting to the concluding paragraph of the Board's Proceedings, No. 6,795, dated the 24th ultimo, I have the honor to forward the accompanying estimate for extending Road No. 13 along the Coleroon embankment from the Aroomuli limits to the Ponairy channel head, a distance of nine miles and sixty-one yards, in continuation of the ten miles, (from lower Anicut to Aroomuli limits,) for which a sum of Rupees 10,100 was allotted last year, and which are nearly completed.

2. The amount of the estimate is Rupees 8,050, of which Rupees 6,050 are required for expenditure during the current year. I propose to meet this outlay from the available amount of Rupees 12,406. The work will be conducted by the Department of Public Works.

3. Estimates for sinking wells are under preparation, and many of them will not, I apprehend, be ready for sanction during this year. The available amount above referred to can well spare funds for carrying out this road.

Enclosure No. 1.—Estimate.

The estimate, amounting to Rupees 8,050, received with the foregoing letter, will be submitted for the sanction of Government.

2. The necessary allotment of funds will be made on the receipt of the sanction to the estimate.

No. 371. Order thereon, 22nd December 1868, No. 3,194.

Miscellaneous.

The estimate for the construction of the road along the north bank of the Coleroon, from the Aroomuli limits to the Ponairy channel head sluice at Vuppoor, (9 miles and 61 yards,) amounting to Rupees 8,050, is sanctioned.
