No. 380. Proceedings of the Board of Revenue, dated 28th August 1868, No. 6,193.

Read the following letter from the Postmaster General, to the Acting Secretary to the Board of Revenue, dated Ootacamund, 24th July 1868, No. 2,250-23.

1. With reference to the Order of Government, No. 639, of the 16th March 1867, placing the District Post Offices and Lines of the Trichinopoly District temporarily under the superintendence of the Postal Department, I have the honor to state, for the information of the Board, that the experiment having proved very successful, I am now in communication with the Director General of the Post Office in India as to the course to be followed in making the transfer permanent. Meantime, the revision of the District Post Offices and Lines, as shown in the accompanying Tabular Statement, is found to be very desirable, and, as the result of the proposed revision is a decrease in the cost of the present establishment by Rupees 17-4-0, I request authority for carrying out the revision at once.

2. The revision comprises, first, the employment of an additional Delivery Peon at the District Post Offices at Trichinopoly, Laulgoody, and Jayancondasalapooram, and Manapoory, to improve the delivery and to provide for increase in the number of covers: second, the abolition of the District Post Offices at Kelapaloor, Perambaloor, Thorayoor, Moosury, and Kolitalay, owing to the opening at those stations of Imperial Post Offices, but it is proposed to retain the Delivery Peons of the former. Kelapaloor and Arialoor are within a few miles of each other, and it is intended to retain the Delivery Peon allowed for the former for duty at the latter station, where the Imperial Post Office has been opened; third, a slight reduction in the contingent allowance at the Huzoor and Trichinopoly; and fourth, the opening of a District Post Office at Rajandrapatam, where one has been ascertained to be necessary. The revisions proposed in the District Post Lines comprising the alteration of the route of three, the abolition of two, and opening of two new ones, are all intended to meet the changes proposed as regards the offices.

[Enclosure No. 1.—Tabular Statement.

Communicated to the Collector of Trichinopoly for his remarks.

No. 381. Proceedings of the Board of Revenue, dated 24th November 1868, No. 8,238.

Read again letter from the Postmaster General, dated 24th July 1868, recorded in the Board's Proceedings, dated 28th August 1868, No. 6,193.

Read also the following letter from the Acting Collector of Trichinopoly, to the Acting Secretary to the Board of Revenue, dated 6th October 1868, No. 189.

Adverting to the Board's Proceedings, No. 6,193, dated 28th August 1868, I have the honor to inform you that I have no remarks to offer, save that the revision proposed, is, I think, well calculated to meet the requirements of the district.

2. The Statement forwarded is herewith returned.

ENCLOSURE No. 1.—Statement.

IN the first of the foregoing papers, the Postmaster General reports that the temporary transfer of the Trichinopoly District Post to the Postal Department has proved successful, and prior to making the transfer permanent, on which subject he is now in communication with the Director General of the Post Office in India, he requests that a revision of the District Post Offices and Lines may be sanctioned.

2. The revision proposed by the Postmaster General is embodied in the Tabular Statement enclosed in his letter, and involves no extra cost to Government; but on the contrary, a saving of 17¼ Rupees a month. The Acting Collector, to whom the subject was referred for remarks, approves of the arrangements. The Board, therefore, request that the sanction of Government may be granted for the revision proposed.

3. The Board presume that the Establishment kept up by the Postal Department, for the performance of the work formerly under the charge of the local officers, is such as to relieve the Revenue Talook Gumastahs of all their former duties in connection with the Post Office.

No. 382. ORDER THEREON, 22nd December 1868, No. 3,199.

Miscellaneous.

1. The revision of the District Post Offices and Postal Lines in Trichinopoly, recommended by the Postmaster General, and approved by the Board of Revenue, is sanctioned. The result is a saving of Rupees 17-4-0 per month.

2. The Postmaster General remarks that the experimental transfer of the Trichinopoly District Post Offices and Postal Lines to his Department having proved successful, he is "in communication with the Director General of the Post Office in India as to the course to be followed in making the transfer permanent." The Government would observe, for the information of the Postmaster General, that in sanctioning the temporary transfer alluded to, they had no intention of withdrawing their control over the District Postal arrangements so long as their cost is provided for in the Revenue Department.
