1 Survey.

on the Calicut to Palghat viâ Mundur road, (Imperial line No. 9.)

2. A sum of Rupees 500, for the preparation of survey and estimate, has been applied for in my letter of the 5th instant, No. 248, and provision to the extent of Rupees 5,000 made for this road in the District Road Fund Budget for 1868-69.

3. The road will be a very useful communication from the high road from Calicut to Palghat abovesaid through a country quite shut out from cart traffic at present, and will connect the cart lines from Manjeri and the west and north, viâ Pandikad and Melatur, with Manar and Palghat. A road from Pandikad to Wandur and Nilambur, on the great line from Mysore by Karkur, is in contemplation, which will make this the shortest connecting line between Palghat and the Karkur road.

ENCLOSURES Nos. 1 to 5.—Plans and Estimate.

1. The estimate, amounting to Rupees 27,500, received with the foregoing letter, is recommended for the sanction of Government.

2. The work appears as Item No. 233 in the Budget of 1868-69, which is now before Government.
