*Proceedings of the Madras Government, Revenue Department,
5th February 1868.*

Read again letter from the Deputy Accountant General, dated 16th January 1868, No. 323, recorded in G. O., 17th idem, No. 134.

No. 97. Read also the following letter from the same Officer, dated 23rd January 1868, No. 332 :—

1. I have the honor, by direction of the Accountant General, to report with reference to Proceedings of Government, dated 17th instant, No. 134, Revenue Department, that this Office was prepared to pass to Mr. Turner his salary as Superintendent of Police, Jeypore, Rupees 700, and travelling allowance at eight Annas and three Annas a mile for transit by land or rail; but as the Proceedings of Government, No. 119, dated 15th instant, restricts the latter allowance to Rupees 5 per diem, this will be attended to.

2. Mr. Turner, as Police Officer, was allowed to charge for horses when he took them by rail or sea. As it was doubtful whether he should continue to prefer such charges while employed on special duty, a reference on the subject was thought necessary. His bill for December last, as Superintendent of Police, for Rupees 700 has been received and admitted, and as no bill for travelling expenses, &c., has been received, this Office is unable at present to say whether he drew those allowances up to the date of the Order, 17th December, placing his services under Mr. Robinson.

No. 98. ORDER THEREON, 5th February 1868, No. 325.

Miscellaneous.

The Government see no necessity for passing horse allowance to Mr. Turner while on special duty under Mr.

Robinson, in addition to the other allowances which the Accountant General's department are prepared to pass.
