No. 53. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Bellary, 9th January 1868, No. 2,718:—

1. With reference to the Budget for 1868-69 and G. O. No. 3,950 of 20th

Do.—do. to Manteralamah Ghaut	1,500	1,400	100	Do. do.

ultimo, I have the honor to point out that no provision has been made for the roads noted in the margin, which, in G. O. No. 3,405, dated 2nd November 1867, were directed to be transferred from the Imperial to the Local Fund Budget.

2. As regards the District Road Funds, I observe that for maintenance grants over Rupees 2,500, the sums proposed for Petty Establishment have been deducted for the Cuddapah District, but not for the Bellary District. I am not at present able to trace out the items "Minor repairs to roads, &c.," in the Cuddapah District, and so will wait, before making further remarks thereon, until I receive the Local Fund Budget for 1868-69.

Transferred to the Revenue Department for disposal.

Secretary to Government, P. W. D.

14th January 1868.

Re-transferred to the Department Public Works, with reference to G. O. No. 219, dated 27th January 1868, Revenue Department, as the greater part, if not the whole of the roads in question, appear to be chargeable to Imperial Funds.
