FORT SAINT GEORGE, MADRAS,

June 3d, 1868.

No. 199.

OFFICIAL MEMORANDUM.

THE Under Secretary to Government, Public, &c., Departments is directed to inform the *Secretary to Govt., Revenue Dept.*, that it is proposed to print, this year and hereafter, the Administration Reports received from each Department separately, with their Appendices, in the form in which they are received from the Departments, and that he is directed to supply the *Secretary to Government Revenue Department* with such number of copies as he may desire for circulation in his Department as the report of the results of the year.

He is therefore to request that he may be informed of the number of copies required, if possible by to-morrow, since he will be unable to keep the reports standing in type more than a few hours, when ready for printing. In future years it is requested that the letter forwarding the report may specify the number of copies required.
