(True Extract.)

(Signed) F. BRANDT,
Under Secretary to Government.

To the Board of Revenue, with Proceedings Public Works Department, No. 389.

Exd. F. B. Bantleman.

*Proceedings of the Madras Government, Public Works Department,
4th February 1868.*

No. 75. Read the following letter from the Consulting Engineer for Railways,
to the Secretary to Government, Public Works Department, dated Madras,
31st January 1868, No. 39:—

With reference to the Order of Government, dated the 25th July 1867, I
have the honor to report that the Agent and Traffic Manager of the Great Southern
of India Railway, when addressed on the subject of the road diversions referred to,
stated that the Chief Engineer had given
Letter No. 2,378, dated 23rd August 1867. directions to have them properly finished,
and that that officer would personally inspect the district to insure his instructions
being carried out. From the enclosed letter, received from the Superintending
Engineer of the 7th Division, very little appears to have been done, and I have
accordingly written to the Agent, requesting him to issue the necessary orders for
the immediate execution of the work, and to report when the roads are made over
to the Public Works Department.

From the Acting Superintending Engineer, 7th Division, to the Consulting Engineer for Railways,
dated 27th January 1868, No. 212.

In reply to your letter No. 11, of 10th January 1868, I have the honor to inform you that the
Range Officer of Caroor reports that nothing has been done except an attempt to improve the
diversions in question immediately under the Railway bridges, and even this work has been so
imperfectly executed that during the late rains these places were quite impassable.

No. 76. ORDER THEREON, 4th February 1868, No. 389.

RAILWAY, No. 7.

Communicated to the Revenue
Department.

(True Extract.)
