*Proceedings of the Madras Government, Revenue Department,
15th February 1868.*

No. 303. Read the following Proceedings of the Board of Revenue, dated 21st January 1868, No. 459.

Read the following letter from the Collector of South Arcot, to the Secretary to the Board of Revenue, dated Cuddalore, 7th December 1867, No. 320:—

1. In obedience to the Orders of Government, dated 4th September 1867, No. 2,062, communicated with the Board's Proceedings, dated 23rd August last, No. 5,462, I have issued the necessary instructions for the selection of waste land, assessed at Rupees 60, for assignment in free grant for the maintenance of the choultry built at the Cusbah town of Kallacoorchi by the Tahsildar Syud Mir Sahib, who has accordingly furnished an account for C. 25, A. 15, P. 3 of Punjab land, bearing an assessment of Rupees 60-3-11, which is in excess of the prescribed amount by Annas 3 and Pies 11, but this cannot be avoided without breaking up the entire fields, there being no other waste land in whole fields to make up the precise equivalent of Rupees 60.

2. The Tahsildar has also represented that there is a ruined tank which has been in its present state since the time of the Pymish or Survey, and has never been repaired by the Department of Public Works, and accordingly he requests that he may be permitted to make the needful repairs at his own cost, in view to the possession of the Panchayat lands and the payment of the additional water-tax.

3. From a Memorandum of the Assistant Engineer of the division, a copy of which is enclosed, it seems that the restoration of the said tank would in no way interfere with the existing works and rights of Government, or of any private individuals, and consequently I am prepared to recommend that the Tahsildar's request may be granted, as Syud Mir Sahib, the founder of the charity under notice, is, I think, deserving of this mark of favor at the hands of Government.

Memorandum.

The restoration by the Tahsildar of Kallacoorchi talook of the ruined Tangul, situated in the limits of Siroonangoor village, for the use of the land, granted by Government for the support of the Chuttrum for all travellers recently built by him at Kallacoorchi, does not in any way interfere with the existing works and rights of the Government, or private individuals.

(Signed) M. HOWARD, Captain,
Assistant Engineer.

KALLACOORCHI,
3rd December 1867.

1. The Collector's proposal to assign C. 25-15-3 of waste land, assessed at Rupees 60-3-11, to Syud Mir Sahib's choultry, seems to be unobjectionable, and will be submitted for the formal sanction of Government.

2. A report in the prescribed form must be submitted before the Board can dispose of Syud Mir Sahib's application for the ruined tank.
