No. 359.

The undersigned has the honor, by direction of the Accountant General, to report that as Mr. McIvor's six months' leave on private affairs expired on the 27th October, the six weeks during which he was allowed by the Secretary of State to remain in England on duty extended from 28th October to 8th December last. For this period there is no objection to payment being made to him of his full salary, but from 9th to 10th December, the period occupied by Mr. McIvor in rejoining his post after return to Madras, full pay cannot be admitted, as that gentleman would have been restricted to half pay during such journey had he returned at once after expiry of his leave.
