*Proceedings of the Madras Government, Revenue Department,
19th February 1868.*

No. 403. Read the following Proceedings of the Board of Revenue, dated 15th February 1868.

Read the following letter from the Collector of Cuddapah, to the Secretary to the Board of Revenue, dated Cuddapah, 7th February 1868, No. 14:—

1. With reference to the Proceedings of the Board of Revenue, dated 20th January 1868, No. 457, I have the honor to submit my report on the condition of the people, &c., for the last week.

2. From the reports I have received from the several Tahsildars, it appears that dry crops have failed to a certain extent; but the remissions, which may be necessary to be made to the ryots on that account, will be reported shortly to the Board on receiving the detailed reports from the Tahsildars.

3. The Tahsildar of Budwail talook specially reports to me that the poorer classes suffer very much from the failure of crops and scarcity of water, and that they are obliged to go for work to such localities where the operation of the Irrigation and Canal Company is now being carried on, and are in considerable straits for their living. As I apprehend that there is a likelihood of further distress to the people in that talook, I beg to submit, for the consideration of the Board and

eventual recommendation to Government, my proposal for their employment on the roads, as specified in the margin; * the amount to be laid out for that purpose is Rupees 25,000, for which the sanction

of Government is now solicited as soon as possible.

1. Submitted for the information and orders of Government.
2. The Board await the receipt of the further report promised in paragraph 2 of the Collector's letter.

3. Under the circumstances represented by the Collector, the Board support

his proposal to lay out at once a sum of Rupees 25,000 on the roads described in the margin, in order to afford relief to the able-bodied poor of the Budwail talook.

4. The first work, which is an unsanctioned one, is provided in the current year's Supplemental District Road Fund Budget, with an allotment of Rupees 3,000. The second work appears in the Repair Lists of both the original and supplemental Budgets, with a total allotment of Rupees 2,964. The third work does not appear in any Budget.

5. On referring to the current year's Part I. of the Supplemental Budget, it is observed that a total sum of Rupees 30,000 is allotted for four unsanctioned works, and as the sum is not likely now to be spent, there is no occasion now to apply to the Government for a special grant, the roads being all "Local."

6. The Board accordingly request the permission of Government to transfer a sum of 5,000 Rupees to each of the three roads in question, and to authorize their commencement in anticipation of the submission of plans and estimates.

*Proceedings of the Madras Government, Revenue Department,
19th February 1868.*

7. The Collector is requested to call upon the Superintending Engineer of the Division to prepare the necessary plans and estimates for the roads under reference.

No. 404.
