*Proceedings of the Madras Government, Revenue Department,
7th January 1868.*

No. 93. Read the following letter from the Superintendent Government Chinchona Plantations, to the Secretary to Government, Revenue Department, Fort St. George, dated Ootacamund, 17th December 1867, No. 166 :—

1. I have the honor to forward copy of a letter from Mr. Batcock, the Deputy Superintendent of Government Chinchona Plantations, soliciting the favor of Government being pleased to accept the resignation of his appointment.

2. Mr. Batcock's health has not for some time been good, and he is of opinion that the climate does not agree with him, and however much I regret the loss of his valuable services, under the circumstances, I would consider it necessary to accept his resignation.

3. Mr. Batcock has already been nearly six and a half years in the service of Government, and it affords me much satisfaction to be able to bear testimony to the care, integrity, and zeal, with which he has conducted the duties intrusted to his charge in an important national undertaking. I therefore consider Mr. Batcock deserving of a recognition of his services in the shape of any gratuity which the Government may be pleased to award.

From the Deputy Superintendent Government Gardens and Chinchona Plantations, to the Superintendent Government Gardens and Chinchona Plantations, dated Ootacamund, 15th December 1867.

1. As of late I have not enjoyed good health, and my medical adviser recommends a change to England, where I would proceed on sick leave, but my private affairs require my presence at home, as well as the education of my young family; these circumstances taken together lead me, on due consideration, to ask you to be good enough to recommend the Government to be pleased to accept the resignation of my appointment, giving me permission to leave in September 1868.

2. My engagement with the Government, for five years, expired on the 4th October 1866, and on the date of my leaving the department, I will have completed seven years' service, and, I trust, performed my duties entirely to your satisfaction. May I therefore beg you will be pleased to recommend a small gratuity in consideration of my services, as I am not entitled to any pension.

No. 94. ORDER THEREON, 7th January 1868, No. 48.

Miscellaneous.

1. The Government have received, with regret, Mr. Batcock's tender of his resignation of his appointment.

2. The loss of his services will be much felt, and the Government would be glad if he would re-consider his determination; but in the event of his resolving to abide by his intention, they will accept his resignation, and take steps for the engagement of his successor.

3. They await his final decision, and will then dispose of the application for a gratuity for past service.
