Sir

In obedience to the call for explanation made in G. O. N^o 21 of the 21st August 1868. I have the honor to state, that the Clerk whose duty it was to prepare the Quarterly return, having omitted to note, at the time of his transfer to N^o 1 Party as Manager that the Return for the first Quarter had not been submitted to Government, its non-submission until after the Return for the second Quarter became due was not noticed, chiefly on account of my absence from Madras on duty from about the middle of March to the middle of May the time at which it should have been sent in. Under these circumstances I trust that Government will be pleased to accept this explanation. In future care shall be taken to prevent the recurrence of this neglect.

I have the honor to be
