Kingman

25th January 1868

My dear Mr. Ellis

I have sent in my application
for three months' privilege leave to
commence from 1st March if I
am required here during Grant's
absence and I trust there will be
no difficulty about giving me the
leave.

I cannot go away at once under
any circumstances for I have had
fever for nearly three years but
it would suit me much better
to take 3 months' privilege leave now
and finish in June than to go

at once in that Certificate. I will
 be in the possession of 12th Sep. 1868
 the plan I propose is permitted
 & Govt can appoint any one
 who is to succeed me, as that it
 will suit both Govt & me very
 well I think
 I am obliged to go on immediately
 I cannot afford to take leave
 for two years as I must take leave
 for 15 months
 As the whole I think the should
 be sufficiently to maintain the
 Govt & I am sure that the
 Govt will be concerned
 and what I have done the
 present application for the leave
 I have given the Govt
