*Proceedings of the Madras Government, Revenue Department,
22nd February 1868.*

No. 475. Read the following Proceedings of the Board of Revenue, dated 14th February 1868, No. 1,103.

Read the following letter from the Collector of Salem, to the Secretary to the Board of Revenue, dated Camp at Ahtur, Ahtur talook, 3rd February 1868, No. 32:—

1. I have the honor to acknowledge the receipt of Board's Proceedings, No.—, dated 21st January 1868, communicating Government Proceedings, No. 107, dated 14th idem, calling for a full report on the case of pensioned heir Muctoom Bee, who claims pension in arrears from 1st September 1861.

2. It would appear that the above pensioned heir left Vellore for Tripattur, with the permission of the Officer in charge of Pensioners at the former station, in September 1861; before leaving she was mustered by a Committee of Officers at Vellore, who, finding that she did not correspond with the description given in the certificate, reported her case to the Superintendent of Pensions, Madras, and the same was communicated to the Collector of this district for information. The woman appears to have frequently presented herself before the Tahsildar of Tripattur for her pension. The Tahsildar brought the circumstances to the notice of the late Collector, who addressed the Officer at Vellore, and requested that he would hasten the despatch of the woman's certificate. No reply appears ever to have been received to this communication, and nothing further seems to have been done in the matter. No certificate was ever received.

3. Under these circumstances, I fail to see the "omission or want of action in the matter," which is attributed to the Revenue authorities. All the delay seems to have occurred in the Pension Department, which failed to forward the certificate to this Office.

1. Submitted to Government, with reference to their Order, dated 14th January 1868, No. 107, Revenue Department.

2. The fact that the Pension Department failed to furnish the Collector with the pension certificate was the cause of the delay.

No. 476. ORDER THEREON, 22nd February 1868, No. 504.

Miscellaneous.

1. Communicated to the Military Department.

2. The delay appears to have occurred in the Military Pension Office, and not to be owing to want of action on the part of the Revenue authorities.
