*Proceedings of the Madras Government, Public Works Department,
28th February 1868.*

No. 648. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated Nellore, 22nd February 1868, No. 154:—

1. Referring to G. O., No. 573 of 20th instant, I have the honor to request that you will have the goodness to re-transfer to the Kistna District the sum of Rupees 2,000, surrendered by me from the Budget Item 135, which is still at the disposal of Government, as the Range Officer is confident that it can be spent on widening the canal before 31st March next, especially as a sum of Rupees 1,863 being the compensation of houses sanctioned in G. O., No. 431 of 18th February 1868, is to be paid to the Head Assistant Collector.

2. As it is too late now to make arrangements for expending any sum on the Ramarazopallem channel before 31st March next, on account of the great demand for labor on other works, I request that the transfer of Rupees 2,500, sanctioned in paragraph 3 of G. O., No. 515, of 14th instant, may be cancelled, and that the 2,000 Rupees referred to in paragraph 4 of the G. O. under reference may be transferred to other divisions.

3. The sum of Rupees 550 granted for new supplies, Nellore District, in G. O. under reference, is quite insufficient; and I, therefore, request that you will

4. The Nellore Range Officer reports that Rupees 760, from the allotment of Rupees 5,803 for improving the portion of Trunk Road No. 6 in the Nellore District (Budget Item 230), cannot be expended this year, and it may, therefore, be transferred to other divisions; also that 500 Rupees from the allotment of Rupees 5,512 for Kistnapatam Canal will be available elsewhere, as small-pox is prevalent in the neighbouring villages.

No. 649. ORDER THEREON, 28th February 1868, No. 667.
