*Proceedings of the Madras Government, Revenue Department,
4th March 1868.*

No. 44. Read the following Proceedings of the Board of Revenue, dated 21st February 1868, No. 1,309.

Read the following letter from the Collector of Ganjam, to the Secretary to the Board of Revenue, dated Camp at Kimedya, 16th January 1868, No. 81:—

1. I have the honor to forward, for seal and signature in the Government Office, five Waste Land Indentures, in duplicate, bearing numbers as noted in the margin, prepared in Form A., the parties having paid up with interest the whole of the purchase money according to the conditions specified in the Indentures, Form B., Nos. 1, 16, 18, 19, and 20, bearing date the 15th October 1863 and 19th March 1864.

2. It will be found that, at the head of the Plans attached to Indentures Nos. 1, 16, 18, 19, and 20, the name of one Krustna Santra has been entered as the applicant, while the name of one Gangadhara Behara is entered at the foot as the purchaser. Meanwhile this individual having sold all these four lots on the 31st March 1864 to one Palazummi Subbarayudu, a Minor, the Indentures, Form A., have now been drawn up in the name of such last named individual's father and guardian, P. Ganapathi Pantulu.

ENCLOSURES Nos. 1 to 5.—Title Deeds in duplicate.

1. Ordered that the Freehold Title Deed No. 1, in duplicate, received with the above letter, be submitted for the seal of Government, in accordance with Rule 7 of the "Subsidiary instructions relating to the sale of unassessed waste lands in the Madras Presidency," contained in the Board's Standing Order No. 151.

2. The Deed in Form B., in lieu of which the present one is to be granted, was issued under Government Order, dated 12th August 1864, No. 1,448.

3. The alterations made in the spelling of the name of the village in the heading of the plans should be initialled by the Collector.

4. The second party attesting the signature of the proprietor has apparently written in Ooreya characters, which are unknown to any one on the Board's Establishment, but doubtless the Collector has satisfied himself that the calling and residence of this witness have been duly inserted.

5. The Deeds numbered 16, 18, 19, and 20 will be returned to the Collector, as the Minor has executed the Deed *instead of his father and guardian* in whose name the Deeds are drawn up. If the period within which registration must be made will permit, the Deeds may be duly revised and re-submitted; if not, fresh Deeds must be prepared.

6. The alterations in the spelling of the names of the villages in the headings of the plans should be initialled by the Collector, and the name, calling, and residence of the Ooreya witness reported for the information of the Board and Government.
