Read the following Proceedings of the Madras Government, dated 11th November 1867, No. 2,665, Revenue Department.

ABSTRACT.—Requesting Board to give the necessary instructions to Collector of Madras in regard to the Salt works, the execution of which is being supervised by Mr. Fraser, C. E., and to take the necessary precautions to guard against irregularities in regard to the execution of Local Fund works.

1. Communicated to the Collector of Madras, who will see that the necessary funds for the execution of the Salt works on which Mr. Fraser is engaged, within the Budget provision, are sent to him in cash from the Treasury, since they cannot be placed at the disposal of the Public Works Department, as in the case of Local Fund works. He will obtain accounts of expenditure regularly from Mr. Fraser's Engineer Office, with the bills, and forward them to the Board for their audit.

2. The Government will be informed, with reference to paragraph 3 of their Order, that, in the case of Local Fund works to be executed by the Department of Public Works, the Accountant General is invariably requested to place the cost of the works at the disposal of the Superintending Engineer.
