Proceedings of the Madras Government, Public Works Department,
4th March 1863.

2. The Executive Officer in charge of Public Works operations in the Wynnad is informed that, under existing rules, no special allotment of funds is necessary to cover expenditure on account of "Stocks."

3. The reduced allotment at the disposal of the Superintending Engineer of the 7th Division for the "Slaughterhouse and cattle-sheds at Wellington" is Rupees 7,000, as shown in the margin, and not Rupees 9,010 as entered in Major Farewell's statement. Deducting from the former sum Rupees 7,010 as the probable expenditure up to 31st March 1863, the balance now available for transfer is Rupees 60.

4. The Superintending Engineer of the 7th Division applies for an additional grant of Rupees 650 for the Normal School at Cannanore, and proposes to provide the amount by transfer from the assignment for the Provincial school at Mangalore. This matter will be referred to the Educational Department, for the issue of the necessary orders.

5. The sums entered below remain to be provided to meet in full the demands on account of Public Works in the Wynnad. The Government are not at present in a position to allot these additional grants, but they will endeavour to do so before the close of the year:—
