*Proceedings of the Madras Government, Revenue Department,
9th March 1868.*

No. 122. Read the following Proceedings of the Board of Revenue, dated 24th February 1868, No. 1,431.

Read the following letter from the Collector of Sea Customs, to the Secretary to the Board of Revenue, dated Madras, 11th February 1868, No. 161:—

1. In forwarding copy of a letter from the Acting Superintendent of Marine, dated 21st September last, proposing, for reasons therein stated, that the privies at the Custom-house should be improved, and removed to the south-west corner of the yard, in which proposal I entirely concur, I have the honor to inform the Board that, in consultation with the Barrack Master and Executive Engineer, the proposed cost for the work was approximately estimated first at Rupees 2,000, and has since been reduced to Rupees 1,070.

2. I have the honor to request the Board will be good enough to forward my application, with their recommendation to Government, with a view of the preparation of a detailed estimate for the above work.

From the Acting Superintendent of Marine, to the Collector of Sea Customs, dated Madras 21st September 1867, No. 3,172.

1. I have the honor to bring to your notice that, for the last two years, the privies for the use of the Sea Customs and Marine Departments, in consequence of the offensive stench proceeding from them, have become a constant nuisance, and I beg to suggest that, for the benefit of both Offices, they may be removed elsewhere.

2. I propose that, with your approval, they may be transferred to the south-west corner of the Custom-house yard, which locality, I think, would be the most convenient for both our departments.

The Collector's proposals will be submitted to Government, with the Board's recommendation that the necessary orders be issued in the Department of Public Works.

No. 123. ORDER THEREON, 9th March 1868, No. 613.

Miscellaneous.

1. The Collector's proposal is approved.

2. Detailed estimates and plans will be prepared at once in the Department Public Works.
