*Proceedings of the Madras Government, Revenue Department,
12th March 1868.*

No. 186. Read the following Proceedings of the Board of Revenue, dated 3rd March 1868, No. 1,516.

Read the following letter from the Collector of Malabar, to the Secretary to the Board of Revenue, dated Terumpadi, 17th January 1868, No. 15:—

1. The present Custom-house at Cochin is ill-situated, and is a very poor and inconvenient building.
2. The project of building a new Custom-house has several times been mooted; but I do not think plan and estimate have ever been prepared.
3. There is a very convenient site now unoccupied by buildings, belonging to Government, close on the river-bank; and I request sanction may be obtained for the work, on which I will request the Superintending Engineer to submit plan and estimate. I suppose Rupees 2,500 to 3,000 would suffice.

Under the circumstances stated by the Collector, the Board admit the necessity of constructing a new Sea Custom-house at Cochin, and they accordingly request that the necessary instructions may be issued in the Public Works Department for the preparation of the requisite plan and estimate for the work.

No. 187. ORDER THEREON, 12th March 1868, No. 649.
