Proceedings of the Madras Government, Public Works Department, 9th March 1868.

No. 199. Read the following letter from the Deputy Controller of Public Works Accounts, in charge, to the Secretary to Government, Public Works Department, dated Madras, 6th March 1868, No. 4,515 :—

1. Agreeably to the instructions contained in G. O., No. 137, dated 16th January 1868, paragraph 4, I have the honor to report that the probable outlay against Local Funds by the Public Works Department in 1867-68 is likely to be Rupees 14,16,667. The calculations have been based upon the most reliable data, as will be seen by the statement given below. Ten per cent. on the year's outlay, viz., Rupees 1,41,666, will be debited to "Establishment Local," in accordance with existing practice :—

Expenditure on Local Fund Works in 1867-68.

As booked up to 31st December 1867 in the Controller's Office.	As extracted from accounts received for January 1868.	Probable expenditure as reported by Range Officers for February and March 1868.	Grand total of expenditure on Local Works.	10 per cent. on grand total.
Rs.	Rs.	Rs.	Rs.	Rs.
6,74,760	1,52,663	5,89,244	14,16,667	1,41,666

2. The gross probable outlay on Establishments in 1867-68 will be Rupees 17,76,064, as shown below :—

"IMPERIAL."

Expenditure on "Establishments" in 1867-68.

As booked up to 31st December 1867 in the Controller's Office.	As extracted from accounts received for January 1868.	Probable expenditure as reported by Superintending Engineers and as based on averages for February and March 1868.	Grand total of expenditure on Establishment in 1867-68.
Rs.	Rs.	Rs.	Rs.
13,10,870	1,49,365	3,15,829	17,76,064

From this total, if the per-centage for Local Fund Works of Rupees 1,41,666 be deducted, there will be a net debit, under the head "Establishments Imperial," of Rupees 16,34,398 for the current official year.

3. The comparison between expenditure and grants will therefore be as follows:—

	Rs.	As.
Original Budget grant, inclusive of Rupees 14,000 transferred from the Revenue Budget	18,20,000	
Deduct—		
Amount surrendered under G. Os., No. 3,844 and No. 137, dated 10th December 1867 and 16th January 1868 respectively	1,30,000	
Balance of grant		16,90,000
The probable gross debit as explained in paragraph 2 of this letter being ...		16,34,398
There will then remain an available balance of		55,602

Of which Rupees 50,000 may be transferred to other heads of service, if required, leaving Rupees 5,602 to meet contingencies.

No. 200. ORDER THEREON, 9th March 1868, No. 787.
