Proceedings of the Madras Government, Revenue Department,
20*th March* 1868.

Read the following:—

No. 342. Proceedings of the Board of Revenue, dated 12th December 1867, No. 8,023.

Read the following letter from the Postmaster General, Madras, to the Secretary to Government, Public Works Department, dated 4th December 1867, No. 3,238.

1. On visiting Guntoor, I find that the Post Office is held in a rented building, quite unsuitable for the purpose, and I should at once recommend that a building should be constructed for its accommodation.

2. I observe, however, that in the compound of the Sub-Collector's Cutcherry there are some public buildings unoccupied, one of which, with some repairs and slight alterations, would answer the purpose very well; I refer to that which is nearest to the entrance gate on the right hand side as you enter the compound. I request that this building, if not required, may be made over to the Postal Department.

3. The building that I speak of is, at present, used as a School-room for a private Native school. But if it is intended that the school shall be thus accommodated permanently, I have no doubt that one of the other unoccupied buildings might be found sufficient for that purpose.

Referred to the Revenue Department.

Secretary to Government.

1. In reply to your endorsement, No. 174, dated 20th December 1867, on Board's Proceedings, No. 8,023, dated 12th December 1867, I have the honor to inform you that the building within the compound of this Office, now occupied by the Hindu School, being a public building, is available for Government purposes whenever required; the school is permitted to occupy the premises only so long as they are not required by Government.

2. The school may be temporarily accommodated in the old Record-room which is unoccupied.
